

## LAUC Committee on Diversity Book Club

The Committee seeks to celebrate and educate the community through reading. Join us as we use literature to expand our experiences and discuss the differences that make us distinct. The Committee will have a book club selection every quarter. If you would like to recommend a book please email the chair of the committee.

The book club is open to all staff at the UC San Diego Libraries.

The book club discussion will be during working hours in one of the libraries. A member of the Committee will facilitate the discussion. If you would like to attend the book club discussion in person, please confirm the release time with your supervisor.

You may also participate in our online discussion on Goodreads. Create an account with Goodreads at <http://www.goodreads.com/>.
